Contract RD-85

25X1

1. The [redacted] Plainville, Connecticut, developed the RP-11 Power Supply under Task Order 2 of the subject contract.

25X1

2. The contractor has delivered all items required by Schedule A. This includes 10 prototype RP-11 Power Supplies and associated Bill of Material, Manufacturing Drawings, and Operating and Maintenance Manuals. This equipment has been evaluated by the Research and Development Laboratory and declared satisfactory and acceptable to the Government.

3. It is requested that your records be adjusted to indicate that all deliverable items under Task Order 2, as amended, have been received.
